

income for the full calendar year will be considered except as provided in § 3.260.

(d) *Veteran with a spouse.* For the purpose of determining eligibility under paragraph (b) of this section the pension rates provided by 38 U.S.C. 1521(c) may be authorized for a married veteran if he or she is living with or, if estranged, is reasonably contributing to the support of his or her spouse. The determination of “reasonable” contribution will be based on all the circumstances in the case, considering the income and estate of the veteran and the separate income and estate of the spouse. Apportionment of the veteran’s pension under § 3.451 meets the requirement of reasonable contribution.

(e) *Surviving spouse with a child—(1) Child.* The term “child” means a child as defined in § 3.57. Where a veteran’s child is born after the veteran dies, the surviving spouse will not be considered a surviving spouse with a child prior to the child’s date of birth.

(2) *Veteran’s child not in surviving spouse’s custody.* Where the veteran was survived by a surviving spouse and by a child, the income increments for a surviving spouse and child apply even though the child is not the child of the surviving spouse and not in his or her custody.

(3) *Income of child.* The separate income received by a child or children, regardless of custody, will not be considered in computing the surviving spouse’s income. Where the separate income of the child is turned over to the surviving spouse, only so much of the money as is left after deducting any expenses for maintenance of the child will be considered the surviving spouse’s income.

(4) *Alternative rate.* Whenever the monthly pension rate payable to the surviving spouse under the formula in 38 U.S.C. 1541(c) is less than the rate payable for one child under section 1542 if the surviving spouse were not entitled, the surviving spouse will be paid the child’s rate.

(f) *Income over maximum; reduced aid and attendance allowance.* Beginning January 1, 1977, veterans in need of regular aid and attendance who are not receiving pension because their income exceeds the applicable statutory limi-

tation may be eligible for a reduced aid and attendance allowance. The amount payable is the regular aid and attendance allowance authorized by 38 U.S.C. 1521(d)(1) reduced by 16.6 percent for each \$100, or portion thereof, by which the veteran’s annual income exceeds the applicable maximum income limitation. The reduced aid and attendance allowance is payable when:

(1) A veteran in need of regular aid and attendance is denied pension under 38 U.S.C. 1521 solely because the veteran’s annual income exceeds the applicable maximum income limitation in 38 U.S.C. 1521 (b)(3) and (c)(3); or

(2) Pension payable under 38 U.S.C. 1521 to a veteran in need of regular aid and attendance is discontinued solely because the veteran’s annual income exceeds the applicable maximum income limitation in 38 U.S.C. 1521 (b)(3) or (c)(3); and

(3) The veteran’s annual income exceeds the applicable maximum income limitation in 38 U.S.C. 1521 (b)(3) or (c)(3) by an amount not greater than the amount specified in 38 U.S.C. 1521 (d)(2).

(b) *Eligibility verification reports.* (1) For purposes of this section the term eligibility verification report means a form prescribed by the Secretary that is used to request income, net worth (if applicable), dependency status, and any other information necessary to determine or verify entitlement to pension or parents' dependency and indemnity compensation.

(2) VA will not require old law or section 306 pensioners to submit eligibility verification reports unless the Secretary determines that doing so is necessary to preserve program integrity.

(3) Except for a parent who has attained 72 years of age and has been paid dependency and indemnity compensation during two consecutive calendar years, the Secretary shall require an eligibility verification report from individuals receiving parents' dependency and indemnity compensation under the following circumstances:

(i) If the Social Security Administration has not verified the beneficiary's Social Security number and, if the beneficiary is married, his or her spouse's Social Security number.

(ii) If there is reason to believe that the beneficiary or, if the spouse's income could affect entitlement, his or her spouse may have received income other than Social Security during the current or previous calendar year; or

(iii) If the Secretary determines that an eligibility verification report is necessary to preserve program integrity.

(4) An individual who applies for or receives pension or parents' dependency and indemnity compensation as defined in §§ 3.3 or 3.5 of this part shall, as a condition of receipt or continued receipt of benefits, furnish the Department of Veterans Affairs an eligibility verification report upon request.

(c) If VA requests that a claimant or beneficiary submit an eligibility verification report but he or she fails to do so within 60 days of the date of the VA request, the Secretary shall

suspend the award or disallow the claim.

### § 3.257 Children; no surviving spouse entitled.

### §§ 3.258-3.259 [Reserved]

### § 3.260 Computation of income.

For entitlement to pension or dependency and indemnity compensation, income will be counted for the calendar year in which it is received.

(a) *Installments.* Income will be determined by the total amount received or anticipated during the calendar year.

(b) *Deferred determinations.* Where there is doubt as to the amount of the anticipated income, pension or dependency and indemnity compensation will be allowed at the lowest appropriate rate or will be withheld, as may be in order, until the end of the calendar year when the total income received during the year may be determined.

(c) *Proportionate income limitations; excess income.* A proportionate income limitation will be established under the conditions set forth in paragraph (d) of this section except where application of a proportionate income limitation would result in payment of a lower rate than would be payable on the basis of income for the full calendar year.

(d) *Proportionate income limitations; computation.* Income limitations will be computed proportionately for the purpose of determining initial entitlement, or for resuming payments on an award which was discontinued for a reason other than excess income or a
